INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

April 27, 2006

Sir:

Applicant herewith submits a list of a single reference which was cited in the International Search Report for corresponding International Application No. PCT/US2004/036878. Since this application was filed after June 30, 2003, the requirement for a copy of the U.S. patent publications has been waived.

This submission does not represent that a search has been made or that no better prior art exists. While the term "reference" is used in citing the publication called to the Examiner's attention herein, applicant does not make any admission that it is a "prior art" reference within the meaning of the statutory and case law.

FACSIMILE CERTIFICATION I hereby certify that this Information Disclosure Statement is being transmitted by facsimile to the Commissioner for Patents, P.O. Box 50, Alexandria, VA 22313-1450 on April 27, 2006. May Laren Harry Scaline

Applicant reserves the right to contend, where appropriate, that if the reference is asserted against any claim of the present application, it is not prior art under the facts and the law.

Applicant also reserves the right to present appropriate arguments and/or evidence to establish patentability over the reference should it be applied against the claims of the present application.

Applicant respectfully requests that the Examiner independently determine the pertinence of the reference cited herein.

An Office Action on the merits has not been received to date. Therefore, no fee is due for the submission of this Information Disclosure Statement.

It is respectfully requested that the reference be considered and made of record.

Respectfully submitted

Brian Rote
